

ENGLISH PLUS STEAM WITH STEAM EDUCATION

MTU – RESIDENTIAL CENTRE

This programme is based on the campus of the prestigious **MTU (Munster Technological University)**, in a tranquil suburb of Cork city. To inspire the next generation, students have the benefit of learning from STEAM Education's expert Facilitator on how humans have figured out designed and invented amazing things in the fields of **science, technology, engineering, arts and maths!**

As well as participating in language classes every morning from Monday to Friday, students can then enjoy three afternoons of STEAM sessions and two afternoons of general sports. In the evenings students can participate in karaoke, bingo and a disco. A full day excursion outside Cork is also included as part of the programme takes place on Saturdays.
