

CLIL FOR SECONDARY TEACHERS

Course Outline

A course for Secondary teachers aimed at providing practical training in the most up to date teaching techniques and improving participants language skills.

Course Objective

Participants will gain an understanding of how to combine language and subject teaching within a workable lesson framework and also explore a wide variety of practical tasks and activities that can be put to immediate use in the classroom. Participants will also have the opportunity to experience CLIL for themselves through the use of CEC's E-Learning platform which gives training in web skills through the use of English, neatly combining subject and language acquisition.
