

## ONE TO ONE TUITION – AE109

### Course Aim

To help the student develop their language skills rapidly according to their specific needs identified in consultation with our academic team.

### Course Description

This course is designed specifically to meet your needs. Our One-to-One courses give you the most rapid, relevant, and cost-effective form of language training. Before your course starts, we ask you to complete a Needs Analysis Questionnaire. This allows our trainers to design a course and choose materials that will meet your precise linguistic requirements.
