WHY CORK

Cork is Ireland's second city and is the ideal city for students to travel to as an EFL destination. Cork city sits at the origin of both the Wild Atlantic Way and Ireland's Ancient East. It is the perfect starting point to explore the country.

Cork has been voted the third friendliest city in the world by Condé Nast Traveler's annual reader survey. Three Irish cities made it into the top 10 friendliest cities list, with Cork in third place, Galway at number five, and Dublin coming in eighth place (August 2018). According to Lonely Planet, "everything good about Ireland can be found in County Cork."

Cork City has a population of approximately 210,000. The city is compact with excellent public transport. Most of the city based attractions located in the city area are within walking distance of the centre, and many are free to visit. The city is surrounded by small towns and villages and a vast rugged coastline which are considered some of the most beautiful Ireland.

The city centre has a vibrant arts and cultural ethos and was selected as the European City of Culture in 2005. Cork is host to many world-renowned festivals. These include the Guinness Jazz Festival, the International Film Festival, Cork International Choral Festival and the Cork Midsummer Festival to name a few.

Corkonians often refer to their city as the 'Real Capital' of Ireland and it is true that Cork is certainly the gourmet centre of Ireland. The rich agricultural landscape has created a tradition of quality produce and culinary excellence, with some of Ireland's best restaurants & food markets in Cork.

Cork is a major centre for international trade and manufacturing. Cork Harbour is one of the largest natural harbours in the world and the county is a second home to many multi-national corporations including Apple, EMC, Amazon, Airbnb, Marriot International, Eli Lilly and Pfizer to name but a few most of which are providing bilingual customer service support from their Cork offices.

ACTIVE ENGLISH WITH CORK ENGLISH COLLEGE

Since 1978, CEC has been successfully running activity programmes for teenagers, combining language learning with fun and adventure. The aim of our junior courses is to help students improve their English both inside the classroom and through a wide variety of activities. We know that what happens outside of lessons is just as important as the time spent in class, so our programmes are designed to create a complete and memorable language holiday experience. All activities are fully supervised by professional trainers, and every centre is officially recognised by the Department of Education.

Description of Courses

These courses combine English language tuition with a full programme of sports, excursions, and cultural activities. On arrival, students are carefully placed into classes according to their level, from beginner to advanced. Each course includes 20 lessons (15 hours) of tuition per week, with a maximum of 12–15 students per class, plus a wide variety of afternoon projects, sports, and video sessions. In the evenings, students can enjoy fun activities such as discos, karaoke, bingo, and movie nights. These courses are designed for juniors aged 11–17 years.
