

ENGLISH AS A MEDIUM FOR INSTRUCTION COURSE

Course Aim

This new course for 2024 on English as a Medium for Instruction includes developing skills as educators in an international tertiary context.

Course Description

Objectives of this course include learning about teaching English to an international student body, discussing and experimenting with different teaching and learning methodologies, revising correction, feedback, and assessment & applying learning to own educational context.

On completion of this course, participants will have learned about and experimented with different methodologies. The goal being to find an approach that works in practice.
