CEC VIRTUAL—Online Classes

CEC Virtual blends the expertise of live CEC lessons delivered by our experienced teachers with the latest language learning platforms to develop learners' English language skills.

- CEC Virtual online classes focus on developing effective communication skills and include comprehensive work on grammar, vocabulary & pronunciation as well as improving students' listening, speaking, reading and writing skills. Special emphasis is given to effective and accurate communication, with error identification & correction playing an active part of each class. Classwork & tasks assigned by teachers look at topics relevant to students.

- Lessons are engaging and interactive with a mix of activity types to suit all learners. During the lessons, students will have the opportunity to speak with their teacher and classmates on a variety of topics and language points.

- Each CEC Virtual online class includes access to our online learning platform for guided self-study giving students 24/7 access to learning supports in order to improve upon the language & skills studied during class time.

CEC Virtual allows learners to achieve their goals, build confidence in English and map their learning journey all from the comfort of their own home!

Students have the benefit of live face-to-face teaching and interaction with experienced CEC teachers.

Access to an all new integrated online learning platform which gives students access to 24/7 flexible learning anywhere in the world.

Online, engaging activity programme for students to have fun, meet other learners and use their English outside the formal online classroom.

Quality English
ONLINE COURSES

" CEC Virtual follows the same syllabus as our face-to-face classes, enabling students to start online and join face-to-face classes seamlessly in CEC at a later date with no interruption to their studies or progress. "

- Fiona Gomez
Academic Manager

WHAT'S REQUIRED FOR CEC VIRTUAL

To join our online classrooms, it is really simple. Students will need a PC, laptop, tablet or mobile device with a stable internet connection. Students' device of choice will also need to have a webcam & microphone to interact with classes.

All CEC Virtual online classes are conducted through Zoom software which is free to download.

Once you have registered for a course, students receive their login details and they can start to study straight away.
